20MCA 245 - MINI PROJECT PROPOSAL
S3 MCA (2025 Admission)

<table>
<tr><td>1</td><td>Title of Project</td><td colspan="3">Intelligent Document Summarization using NLP</td></tr>
<tr><td>2</td><td>A short description of project (Attach Separate sheet, if needed)</td><td colspan="3">The proposed project focuses on developing a web-based application that can automatically generate a short and meaningful summary from long text documents using Natural Language Processing (NLP). The system processes the input text, identifies the key information, and creates a concise summary while maintaining the original meaning of the document. This application helps users understand the main points quickly, saves reading time, and provides an easy-to-use interface for efficient text summarization.</td></tr>
<tr><td rowspan="2">3</td><td rowspan="2">Details of Software Tools to be used</td><td>Front end</td><td colspan="2">• HTML
• CSS
• JavaScript
• Bootstrap</td></tr>
